

Dear Tri-Valley Band Parents;

The Band Boosters are trying out a new fund raiser TUPPERWARE! Everyone loves and uses Tupperware. And be honest.... when was the last time you were to a Tupperware party?

Well starting November 15th at the Tri-Valley Band Boosters Holiday Bazaar, in the hall way outside the band room, we will open with what we hope will be the largest Tupperware party ever. The party will start the day of the bazaar. Family and friends can come, enjoy the bazaar and then come to the band room hall way, where they will find several tables set up with samples of the items for sale in the fund raising brochure. They can enjoy some treats and browse through the new fund raising brochure available through Tupperware. Shipping will be free and the band boosters earn 40% of the purchase price for every item sold. But it doesn't stop when the bazaar ends. The party will continue as a ghost party until Friday, November 28th. A party booklet will be made available to come home and it can be shared amongst family and friends. The orders have to be turned in with money by Wednesday, November 26th. (turn into Janell Potts 454-0009) All orders will arrive in time for Christmas. Pick up date will be Saturday Dec 20th at the Cafetorium.

Tupperware makes great Christmas gifts for the niece who has moved into her first apartment or maybe a sister who needs a new lunch tote. Or maybe you could just use a new juice pitcher and ice cream scoop. There is something for everyone in the new fund raising brochure.

Please come to the Holiday Bazaar and help us with our fund raising efforts. Your generosity and support is greatly appreciated
