Dear Director:

We are pleased to have your band performing at our event on October 24. Enclosed you will find the information needed while at our contest. We have included a map with directions, list of judges, and a list of bands competing with performance and warm-up times.

Upon your arrival, buses should be driven to the check-in area in front of the school. Here you will be greeted by student guides that will assist you throughout your warm-up and performance. Students, bus drivers, equipment crew, and parent chaperones riding your buses will be marked for admission.

If you desire additional warm-up time, your guide will help you find a place. Please remember that all warm-ups need to be done facing away from the stadium. Please help us keep on schedule by following the times on the schedule.

The Tri-Valley Classic is governed by the guidelines set up by OMEA, and we ask that you review the OMEA Marching Band Handbook to be certain of all rules and regulations.

The following places will be awarded:

There will also be a concession on the visiting side of the stadium where the bands sit after their performance. Thank you for your patronage of the concession areas.
